LET'S START A COLORFUL JOURNEY
OF SUSTAINABLE DEVELOPMENT

Welcome to the colorful world of SDG Hero!

Do you know about Sustainable Development Goals (SDGs)?

Each card here tells a little story about one SDG, like how to protect our Earth, stay healthy, or make life better for everyone. You can learn about these important goals while coloring!

Grab your color pens, color these cards and imagine how we can make the world a better place. You can also use the designs on these cards as inspiration to create your own artwork!

Now, let's start this colorful and magical journey of sustainable development together! Let's fill our world with colors and hope!

Thank you for joining the colorful journey of SDGs!

You are not only coloring the SDGs cards, but also adding colors and hope for a sustainable future.

Let's not stop here, please keep sharing your artwork and ideas with your family, friends, and schoolmates to spread awareness about SDGs.

Caring for our planet starts small: sorting trash, powering down unused gadgets, and going green when we travel. Each small step we take is a giant leap toward protecting our planet.

We'd love to hear from you! If you are excited to share your thoughts, feelings or artwork with us, please reach out to us via email at infogy@boke.com. We can't wait to see your amazing contributions!
